Company Authorization Letter

Template - complete and sign before submission. Optional supplement; not an SSL.com prescribed form.

To: SSL.com Validation Team

Organization: EMERGING DISPLAY TECHNOLOGIES CORP.

Chinese registered name: 全台晶像股份有限公司 | Unified Business Number: 89261652

SSL.com order / reference number: _____

I, the undersigned, confirm that I have authority to authorize this certificate request on behalf of the organization named above. I authorize the following person to request and coordinate organization validation for an SSL.com OV Code Signing certificate for this organization.

Authorized requester name	_____
Requester job title / department	_____
Requester corporate email	_____
Company callback number	+886-7-8124832 (public record; confirm current routing)
Requester extension	_____
Order organization address	_____ _____

The organization can be contacted through its independently published company telephone number to confirm this request and the requester's authority. This letter supplements that verification.

Authorizing officer name	_____
Officer title	_____
Officer corporate email	_____
Officer signature	_____
Date (YYYY-MM-DD)	_____

Completion instructions: use an officer or other person with actual authority to approve the request; confirm all details; sign using the method SSL.com accepts. Add company letterhead or seal only if company procedure or SSL.com requires it. Do not submit this blank template. This letter does not independently verify a phone number and does not authorize acceptance of additional subscriber agreements.
